2017 Featherlite Coaches H3-45 S2
"Intimidator" #3327

Welcome "Intimidator" from Featherlite Coaches

This 2017 Featherlite double slide on the Prevost H3-45 chassis features an all-new floorplan featuring a bath and a half layout that also allows for a walk-in closet in the master suite. Also debuting on this coach is the Featherlite exclusive Intuitive Coach Control Package allowing for the easiest coach to operate on the road today. Fully heated flooring, top-line appliances, fully adjustable king bed, Featherlite exclusive integrated fairings and lighting, integrated coach electrical and much more are the standards of all Featherlite Coaches.

1007 Obici Industrial Blvd Suffolk, VA 23434 866-761-0999 phone

Relax in the spacious salon featuring dual Lafer chairs flanking the occasional table or the butter-soft sleeper sofa located in the slide-out on the driver's side. Enjoy the front 60" Samsung 4K HDTV and Sonos sound all controlled with the Featherlite exclusive Intuitive Coach Control package.

The booth affords a comfy retreat for mealtimes with extra storage located in the overhead cabinets. The fully equipped galley is equipped with Fisher&Paykel and Viking appliances and features Featherlite US made hardwood, dovetail constructed drawers with travel locks and laser-etched authenticity badge.

Located mid-ship the full master suite with heated tile flooring is a spacious retreat with a large shower featuring in-wall entertainment. Featherlite standard, speed control electric pocket doors with pinch protection ensure the master bath is a private retreat.

The master suite features a fully adjustable bed, hanging storage and drawers, Sonos sound and 50" Samsung 4K HDTV and pull out laundry hampers. Behind the pocket door along the back wall is located a walk-in closet with hanging bar and integrated shoe storage as well as a Dyson cordless vacuum.

Located convenient to the salon and galley is this half bath featuring a mirrored medicine cabinet, vessel sink & faucet with large storage below. Stacked washer and dryer and coach controls and monitors are conveniently located and concealed for asthetics.
